Class Description

One of the best things a person can do is learn to read the Quran. It is a form of worship that draws one nearer to Allah SWT. And it gets even better if you read it with the correct Tajweed.

At Sabil ar Rahimah Online, we offer online learning for the Quran with Tajweed. We have highly qualified and experienced teachers who will help you learn the Quran in the best way possible.

Tajweed is a crucial aspect of learning the Quran, and it helps in better pronunciation of the words. With Tajweed, you will be able to recite the Quran correctly and beautifully.

Together with this, to teach deep love, zeal and render the Quraan as part of our daily essentials, we ought to begin our classes with some virtues of the Quraan and uplifting reminders thereafter developing conviction in the words of Allah SWT and His Nabee SAW.
